- General:** This race is intended to encourage the continuance of active racing in cruising one-design fleets and handicap fleets made up of classic boats of some maturity. Any present or former Cruising One-Design (COD) fleet, not otherwise entered in a CBYRA sanctioned event on the day of the race, may enter. The first hull in the fleet must have been produced no later than 1975.
- Starts will be provided for fleets that have a minimum of three boats. Classes will be finalized on the entry due date. CBYRA High Point scoring is available for each race date upon request to the Race Committee for presently sanctioned COD fleets.
- A fleet or individual boats may participate on either race date as a one-day event or on both days. Handicap starts for groups/types of boats that are not one design will be conducted (possibly a full keel fleet, a fin keel fleet and/or manufacturer fleets). All handicap classes will be non-spinnaker and will sail with one jib. One design classes may determine spinnaker use on a case-by-case basis.
